Linda and Esther,

Unfortunately Paul Bucholtz (MDEQ Project Manager for Kalamazoo site) and I have a conflict that just came up on 11/21. We have a meeting in Kalamazoo on 11/21 which had to be rescheduled because of the government shut-down. We had to coordinate the schedules of 20 people and unfortunately the only day that everyone was available in November was 11/21.

So, we will have to reschedule the desk audit do a different date.

Sorry,

Jim Saric
